President's Message

We had a fun day at the club on Mardi Gras with 55 participants. Many thanks to everyone that volunteered to bring food and beverages and make this a successful event.

We are looking for someone to oversee the Longest Day activities on Saturday June 20th. This important ACBL wide event raises funds for the Alzheimer's Association. In the past few years our club has been very successful in raising funds, but we need someone to head up this year's efforts. If you are willing to volunteer as either the head or committee member, please contact Vicki Willis and she will provide additional information.

And speaking of Vicki, Congratulations! She has been elected as president of District 10. Our local club is certainly in good hand with her leadership.

Mark your calendar for March 21st for our next Eight is Enough Swiss Game. This is a really fun game and a great way to meet and play with players that you might not normally play with. See the flyer below for additional details, hope you will join us.

And as always, your suggestions for improvements are welcome and appreciated.

Club Manager's Report

LBA is as busy as ever. Our games are healthy and growing, our Education is thriving (John Federico continues to have 45+ students in his defense class), and your new board is fast at work to continue with many new programs as we continue to keep the club fiscally responsible.

March Madness brings us **33% red** point games for no extra fee the first week of March. The 2nd week is an NABC fundraiser, so we get extra points for our extra \$1. On March 16 we have an **ACBL-wide Silver Senior Pairs** game. Lil is bringing back **8 is Enough** on Saturday 21st which will be a **Unit Team Championship** game. If you do not have a team and want to play, please let Lil know by texting (504)330-1158. There is also a signup sheet on the front table. On March 25 we are having another **ACBL-wide Charity game**. Enjoy our busy month!

Our online club will have NABC fundraiser games March 9-13 for 2x black points. Our LBA/LBC/ET AL club is having some success with our new Swiss games on Realbridge. Our Sunday Swiss and morning limited games on BBO are still doing very well. Our profit last month on BBO games was \$1.46 per player for the \$7 entry fee. On Realbridge our profit per player for the **\$6** entry fee was **\$18.40** per player. I hope if you enjoy some online time, you will consider playing on **RealBridge**. Also, if you see games listed for **SE Carolina**, we do receive a stipend for your participation in their games.

Congratulations to David Hoover whose design was selected as the winner. Three judges – Suzanne Baer, Trelah Nagy, and Susan Gibbens – reviewed all of the entries and narrowed the total to three. The Board of Directors then voted for a winner from the three finalists. Thanks for the many members who submitted designs.
