President's Message:

Last month we had a very successful *8 is enough* game on Saturday, March 21st with 30 tables. Not only was it successful, it was a lot of fun and a great way to get to know members that we don't often get a chance to play with. Many thanks to Lil Range and her assistants Kathy Plache and Theresa Federico for their hard work, to food organizer Linda Freese, and others that brought food.

Hopefully we will have our sectional Derby Day tournament April 30th to May 2nd. We are still looking for a volunteer(s) to chair the tournament; Carolyn DuBois has agreed to be partnership chair. We do plan to have race festivities after Saturday's game and we have moved the start time of the game to 9 am so that we will be finished before post time. Stay tuned; hopefully we will have more information in the near future.

And speaking of volunteers, the viability of our club is dependent on members volunteering. Everything we do happens because members volunteer. The handful of members that do most of the work would really appreciate sharing the load. If you are asked to volunteer, please say yes if at all possible or, better yet, let a board member know that you're available to assist.

Club Manager's Report:

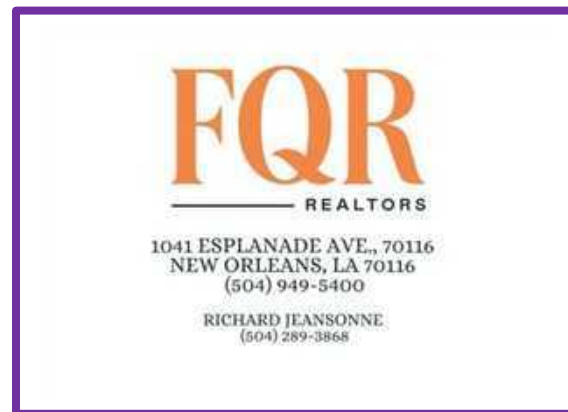

April brings showers of "Gold" and extra points! ACBL is holding a special charitable week called **Gold for Good**. You will receive **Gold** points for your two best scores during the week of April 20-25. This is on top of any masterpoints you get during the week. It includes both face to face and online games, but there are rules. Click [here](#) for the details and for the \$30. registration. We will have a **Wednesday Open game** on April 22 & a **Saturday Open game** on Saturday, April 25 to allow all members to have the extra day of play, by reservation, of course. This is all part of Charity Month. We will have **Charity Club Championships** the week of April 13-17 and the week of April; 20-25. These games cost \$1 but every other game goes to ACBL's Charily Fund, and the other games go to a local charity of our choice. If you have a favorite non-denominational charity locally, let Jackie Madden know, as her committee decides where the money goes. Our **Derby Day Sectional tournament** is April 30-May 2. John Federico's class on Defense continues thru Wednesday, April 22.

Our online club, LBA/LBC/ET AL, will also have Charity Fund games the week of April 20-26 on BBO and Realbridge. The April 20-25 games may also be included in your **Gold** for Good scoring on both platforms. Remember that if we don't have a game going at the time you wish to play online, and **SE Carolina** does have a game at that time, LBA receives a stipend from SE Carolina. We also receive \$1 per player for any of our members' participation in Clubhouse on BBO, and Real Deal on Realbridge. We would love for you to join us on Mondays at 5, Tuesdays at 6, and Wednesdays at 6:30 for our team games on Realbridge. You don't need a partner or teammates to play, but we will reserve a table for you if you have a whole team coming. Enjoy the **gold!**

8 is Enough

On Saturday, March 21, 2026, the Louisiana Bridge Association held an 8 is Enough Swiss team game. Designed to mix experienced and inexperienced players, the game used these points criteria: under 100 = 1; under 1,000 = 2; over 1,000= 3. The whole team could not exceed 8. Some teams had 2 + 2 + 2 + 2, others had 3+3+1+1, others had still other combinations. Some 1's had never played Swiss before; some 3's were over 10,000 points. Every team had a cornerstone (experienced person to help with scoring, movement, etc.).

Directed by Lillian Range and Kathy Plauche, the game had a total of 30 tables in a 6-board, 3-round movement. Teresa Federico handled caddy and other duties, and Linda Freese handled the food. The food started at 11:30, the game started at 12:45 and was over by 4:30. Kathy Plauche managed to post scores onto the television screen, so people could easily check their standing at any time.

With ducks as a theme, the point was for everyone to have a ducky time. Everyone got a painted, named rubber duck. Ducks in attendance included Avian Leigh, Duck Tracy, Honk Aaron, Hill Bill E, Michael Quackson, and Mallard Fillmore. A separate pond held the naughty ducks, such as Ducking Autocorrect. Inexplicably, all the Naughties disappeared by the end of the game. Everyone had a good time; the club plans to repeat the event in the fall.
